

# SOMYA BHATNAGAR

FULL STACK DEVELOPER

8851006070

New Delhi, Delhi

somya.bhatnagar@yahoo.com

[Portfolio](#) [Github](#) [Linkedin](#)

## SUMMARY

Self-driven and fast-grasping developer with a passion for using JavaScript to build innovative solutions. Experienced in frontend, backend, and fullstack development. Seeking a developer role to leverage my JavaScript expertise and contribute to dynamic projects.

## WORK HISTORY

### Sharpner | Full Stack Developer | Apprentice

March 2022 - Present

#### Spendzi Expense Tracker

[Check Link](#)

Designed and built a user-centric expense management platform with secure authentication using Sendinblue and premium features via Razorpay. Technologies used: Jwt token, bcrypt, CSS, Bootstrap, JavaScript, HTML, Node.js, React.js, Express.js, Nodemon, MySQL, AWS, S3 Buckets.

#### Group Chat Application

[Check Link](#)

Crafted a dynamic group chat app using Node.js, Express.js, Sequelize, and MySQL for data management. On the frontend, utilized React, Redux, React Bootstrap, Jwt token, and bcrypt for security. Features include real-time messaging, chat room creation, multimedia sharing, and profile customization, ensuring a seamless and secure user experience.

#### Connect Mail Box Client App

[Check Link](#)

Created a feature-rich mailbox client app using React, Redux, Tailwind CSS, and Firebase. Features include email management (compose, reply, forward, archive), search/filter options, real-time updates, multimedia support, customizable interface, secure authentication, and responsive design for a seamless user experience.

#### MeetWave App

[Check Link](#)

Built a robust Next.js meetup application that leverages MongoDB and Mongoose for efficient data management. Utilized React and Redux.js to create a dynamic and interactive user interface, enhancing the overall user experience. The app facilitates seamless organization and management of meetups, allowing users to create, join, and manage events effortlessly.

#### E-Commerce Website

[Check Link](#)

Designed and developed a fully functional e-commerce website using React.js, Redux.js, and Firebase. Implemented features such as product catalog management, user authentication, shopping cart functionality, and secure payment processing. The website offers a smooth and responsive interface for users to browse, shop, and make purchases with ease.

### Alffasentauli LLP | Senior Science Teacher | Full Time

April 2021 - Present

As a Senior Subject Matter Expert in science teaching for K-10 and K-12 students, I've had the opportunity to impact the education of thousands of learners. My role involves designing comprehensive curricula, developing innovative teaching strategies, and providing guidance to educators to ensure effective science education at various levels.

## EDUCATION

### Amity University Gautam Buddha Nagar | B.Tech | Aerospace Engineering

April 2016 - Dec 2020

Achieved first-class distinction with a top score of **91%**, ranking as the batch topper.

### Class XII | St. Mark's Sr. Sec. School Delhi

April 2015 - May 2016

Completed my Class 12 in the Science stream with a commendable 77.4% score from a CBSE school, demonstrating proficiency in a rigorous academic curriculum.

### Class X | St. Mark's Sr. Sec. School Delhi

April 2015 - May 2016

Completed Class 10 with an impressive 8.2 score from a CBSE school, showcasing strong academic performance and foundational knowledge across subjects.

## SKILLS

### Frontend

- HTML
- CSS
- Tailwind CSS
- Javascript
- Bootstrap
- ReactJs
- React Bootstrap
- ReduxJs
- NextJs

### Backend

- Node Js
- Express
- Sequelize

### Database

- MySql
- MongoDB
- Firebase
- AWS

### Others

- RestApi
- Postman
- C++
- Github
- Ms Office
- Ms Excel

### Languages

- English
- Hindi
- German

### Soft Skills

- Excellent Communication Skills
- Team Work
- Problem Solving
- Time Management
- Adaptability
- Leadership
- Creativity
- Critical Thinking
- Emphathy
- Resilience
